No. 790 — Office of the President of the
Municipalities, Shimoga District.
Dated 24th April 1899.

To The Secretary to the Government of Mysore,
General and Revenue Departments.

Sir,

In reply to your docket No. 8145 / L.F. 35-98 dated 12th January 1899, I have the honour to state that I recommended the levy of octroi duty of one rupee for every maund of tobacco and one anna per head of sheep and goats brought into the Honnali municipality, with a view that these rates might be uniform both in Shimoga and in Honnali, but it is apprehended that these rates are high, and might affect the trade of the place. I would therefore now recommend that 8 as per maund of tobacco and 1 anna on each head of sheep and goats may be adopted.

The total income from these two sources is estimated at Rs 250/- per year.

It is proposed to employ 3 peons on Rs 4/- each and to give an allowance of Rs 3/- to mutsaddi for the collection of these taxes. total cost on account of the establishment therefore Rs 180 per year, leaving a profit Rs 70/- to the municipality. An extract the proceedings of the Board is enclosed.

I have the honour to be
Sir,
Your most obedient Servant
[illegible]
President of the
Municipalities, Shimoga Dt.
